1. Before 1 August 1951 the Liuchou (109-16, 24-18) Military District had made plans to build twelve underground warehouses in the suburbs of Liuchou, extending from the Honan (河南) Airfield (sic) to Yaofou (召牌), and including Talungt'an (大福潭), Hsiaolungt'an (小福潭) and the nationalized farms. Construction began 1 August. Areas under construction were restricted, and access was forbidden to civilians.
  2. Personnel from army engineer units in the Liuchou area were building the warehouses, and Soviet personnel stationed at the Liuchou airfield were the technical advisers. No conscription or other civilian labor was being used.
